PKT-8-RKP100 Cordless-Battery-Nailer

for paper collated round head strip nails type RKP from 65 to 100 mm

BEST QUALITY
MADE IN GERMANY

OR

PKT-8-PR100 Cordless-Battery-Nailer

for paper collated D-head nails type PR from 65 to 100 mm

- Gauge for air level
- Pressure relief
- Incl. compressed air cylinder KT-1000 (only for filling)
- Fast shot sequence = 1,5 shots/ second
- Operation via touch display
- toolless magazine removal
- safety device
- belt clip
- depth adjustment
- quick loading system
- for indoor and outdoor use
- weather and temperature independent

Shot sequence = 1,5 shots/ second
L x W x H: 554 x 176 x 392 mm

PMS 55 18M bl Portable Circular Saw

- Important machine parts such as the base plate are made of high quality diecast magnesium
- The sturdy solid material bracket serves as an additional support and as protection for user and machinett
- The PMS 55 also uses the mafell guide rail system
- One of the strongest, most robust portable circular saws in this class
- Rugged and indestructible, yet weighs only 3.2 kg
- Dependable
- High performance reserves
- Cross and rip cuts in extreme conditions
- Bevel cuts up to 45°
- General building/roof construction works
- Compatible materials include solid wood, timber, planks and boards

Cutting depth	10 - 55 mm	Weight	3,2 kg
Cutting depth at 15°/ 30°/ 45°	54/ 50/ 42 mm	Brushless motor	18 V
Tilt range	0 - 45°	Cutting speed	39 m/s
Nominal No. of strokes – no load	4450 1/min		

BS 18 LTX BL Q I Cordless Drill/ Screwdriver

- Brushless drill/screwdriver with maximum power for demanding applications
- Metabo Quick System: quick change of bit retainer and bits, for flexible working
- Selectable "impuls" mode for removal of stubborn screws and for spot-drilling on smooth surfaces
- Precision Stop: electronic torque control with increased precision for accurate and intricate working
- Variable speed, forward and reverse rotation and quick stop for versatile use in wood and metal
- Overload protection: protects the motor from overheating
- Spindle with hexagonal recess for screwdriver bits for working without chuck
- Electronic safety shutdown: no kickback if the drill bit stops unexpectedly - for high user safety
- Integrated LED work light with night light function for optimal brightness in the work area
- Handy belt hook and bit holder can be fixed either on the right or left side

Maximum torque - soft	65 Nm	Drill-Ø soft wood	68 mm
Pulse torque	65 Nm	No-load speed	0 - 550/ 0 - 2000/ min
Maximum torque - hard	130 Nm	Chuck capacity	1.5 - 13 mm
Adjustable torque	1 - 20 Nm	Weight without battery pack	1.7 kg
Drill Ø steel	13 mm	Weight with battery pack	2.1 kg

One battery, many solutions. Cross-brand. 100% Compatibility.
